## Snow News

Effective December 1 there is no parking on village streets between 2 am—6 am. This law is in effect until April 1. Please remember to move your car off the street so plows can get through and make the streets safe for drivers. Not complying may result in a parking ticket.

Also, according to Village Code, all property owners in the Village are responsible to clear sidewalks of snow and ice within 24 hours of the end of snowfall. Please do not shovel the snow from sidewalks on to public streets.

Keeping the streets and sidewalks clear during the winter months is important not only for the safety of drivers but for people, young and old, that have to walk to school, the grocery store or just to get the paper. Please be a conscientious neighbor and do your part in maintaining your sidewalk.
