Village Code from Planning Board:

A recommendation from the Planning Board was given to the board asking that they consider changing the Village Code to not allow first floor apartments in the business district. Discussion followed. Mayor Cummings will work with Clerk Martuscello on the correct language for the revision to the code. It was also suggested that the no parking regulations be revised at the same time to save the cost of rewriting the code and having two public hearings.

Village Elections: Tuesday, March 16, 2010

Up for election two Trustee positions, Trustee Foster and Trustee Green.

On a motion of Trustee Pulver and seconded by Trustee White and carried, all voting Aye, Village Election is set for Tuesday March 16, 2010 with polls open from 12:00 pm to 9:00 pm and the location of the polls is the Fred & Harriet Taylor Memorial Library, 21 William Street, Hammondsport.

Mayor Cummings informed the board that the Democrat Caucus will be held at the Village Office January 21, 2010 at 6:30 pm, and the Republication Caucus will be at the Village Office January 26, 2010 at 7:00 pm.

Mayor Cummings asked if there are any further questions from the board or from the public. Mr. Hoad asked permission to take some surplus equipment to an auction in Elmira. A list of items will be written and given to the board to declare the items surplus next month.

Mr. Hoad told the board that on January 23, 2009 he put a meter in the in-line chemicals to see how much water was going down the drain. He checked the meter today, one-year later, and found that 98,000 cubic feet of water or 8.4 million gallons was being dumped down the drain. Mr. Hoad will make adjustments tomorrow, January 13, 2010, to lessen the loss.

On a motion from Mayor Cummings and seconded by Trustee Pulver, and carried, all voting Aye to adjourn the meeting.

Meeting adjourned 6:53 pm

Respectfully submitted,

Sue Pietrzak
