Water Main Construction Project

The Village has hired Larson Design Group and Wenzel Contractors for a Water Main Construction Project on **Shethar Street from Bauder down to Water Street**. The project will begin in early September of this year and be completed by approximately November 15 of this year. Portions of Shethar Street will be dug up to replace the water mains. Residents on Shethar Street will continually have access to their driveways. New construction of the entire street will be completed in the near future. Water Mains are being completed first to lessen the impact of the next phase of the street reconstruction.

Hydrant Flushing in the Village

Monday and Tuesday September 23 and 24

Please note some dirty water may be encountered. Please check your water **BEFORE** doing laundry. Flush cold water before using hot water. Do not draw dirty water into your hot water tank. We regret any inconvenience. Questions call Water Department 569-3704

Please Note:

When you are getting ready to leave the area for an extended period of time please let the Village Clerk know your address, so you can receive **tax bills** and **water bills** on time and avoid any late fees.
